Season's Greetings

Dear Pelham Historical Society Members

On behalf of the Executive and Directors of our Society, I would like to extend to you and your family our sincere holiday greetings as another eventful year is about to end.

A special thank you to all of you for your generosity in sharing your learning and experiences. We had some terrific meetings and presentations.

Of course, thanks would not be complete, if we didn't mention the leadership of Robert Young. Every year just gets better and better. And what Saturday afternoon would be complete without a nice cup of tea and some of Wendy's sweet creations.

Together, we can look forward to sharing good fortune, good health, and new experiences in 2025.
